

5 min's With Steve!

Dear Members,

We are proud to announce two new appointments to our team at the Mossel Bay Golf Club. In The beverage department, we have appointed Tyron John as the Beverage Manager that replaced Nigel Abrahams. Tyron successfully applied for the vacant position and has already proven to be a fantastic asset to the team.

We have also appointed Ben du Toit as Head Golf Professional of the Mossel Bay Golf Club. Part of his duties is to provide you, our members, clinics at various times that will benefit your whole game. Below is a schedule of times that these clinics will be conducted, and we urge members to please join these clinics free of charge

Please contact Ben on 071 194 5326 to arrange alternative clinics or times. Ben will gladly assist you with your game.

Mondays 4 July 2022

Driving Range:

The pro shop will sell driving range balls for R15 per session. This means you will have access to as many buckets of balls as you wish.

Visitors and outside golfers will be charged R50 for range balls.

Halfway House:

In collaboration with Bayview Catering, the Golf Club Board discussed ways to improve the turnaround time in the halfway house. Therefore, from 01 July, we will only have ready-made meals and grab-go meals available in the halfway house.

With this approach, we will limit the time spent in the halfway house and ensure the speed of play remains unaffected. If you would like to have breakfast before your round, kindly allow adequate time to do so in the breakfast area.
