Membership Subscriptions

It is that time of the year for membership renewals. Just a friendly reminder that subs are due and invoices have been sent out. If you haven't received an invoice or there are any problems, please make an appointment with me or Lizette so that we can assist you. As an incentive, the club will give each individual 5 complimentary rounds when subs are paid before the end of July 2024. When making EFT payment, please use your member number and your surname.

Thank you to the members that have already paid for their 2024/2025 subs.

We are looking forward to another great year of golfing with each and everyone.

Golf Course

It is winter and as we all know it is our rainy season and that the course is wet. We kindly request that we all please work together to keep the course in the great condition it is.

Just a friendly reminder to our golfers.

Golf course care: Repair and fix divots, pitch marks. Sandbags and sand bottles to be filled at all times.

Golf Carts: Not nearer the green 20M radius. Cart paths to be used correctly – no driving on the sides of the paths. Proper bunker raking and correct placement of rake after use (on right hand side, away from play)

Pace of play: Please keep up with the 4 ball ahead of you. We will be implementing the following rule. Once a group is slow and causes slow play, they will be given their first friendly warning. If the groups do not cooperate the marshal will give a second warning with the possibility that your group might need to skip a hole. If the groups do not speed up after the second warning, the marshal is authorized to ask the group to skip a hole.

Junior Golf

Mossel Bay Golf Club would like to Congratulate two of our younger golfers with their victories.

Congratulations to Riaan Kotze on winning the Kingswood Junior Open / Strokeplay 2024.

Riaan won the championship in a play-off against Dewan de Bruin.

Congratulations to Shani van Rooyen on her achievement at the 36 Hole Southern Cape Closed. She was the winner of the Ladies A – Division.
