## FUNKSIES

As bestuur van die Klub is ons gelukkig om baie gewillige lede te kan hê wat al te bereid is om hand by te sit in die reel van funksies. Die Raad en verskeie van die lede is van die opinie dat die sosiale sy van die Klub weer 'opgetel' moet word.

Een so 'n geleentheid was die onlangse "Christmas in August" dans wat gehou is op 3 Augustus, en hier het ons lede behoorlik uitgehang en die litte losgemaak. Danksy die span van organiseerders kon almal smul aan die heerlike kos terwyl Marius de Bruyn diegene wat se voete gejeuk het aan die gang gehou het met lekker plaaslike klanke.

Met winter wat aan die verbygaan is moet die lede asb gereedmaak vir nog soortgelyke funksies wat deur ons bekwame span opgedis gaan word. Ek hoor opwindende klanke van nag gholfe met goeie pryse en heerlike braaivleis wat binnekort beplan word. Hou gerus die kennisgewings dop.

## KLUB SAKE

Met die finansiële jaar wat so pas tot 'n einde gekom het is ons ouditeure tesame met senior personeel druk besig om die oudit te finaliseer. Terselfdertyd is ons diensverskaffers besig om die hele rekenaarsstelsel van die Klub oor te doen, en al die oudmodiese rekenaars en aanvullende infra-struktuur te vervang met nuwes.

Belangrike datums om te onthou is die opkomende Spesiale Vergadering wat plaasvind op 29 Augustus asook die Algemene Jaarvergadering wat plaasvind in September.

## JUNIORS

Die afgelope maand was ook baie besig vir die junior afdeling van ons Klub. Hier is nie minder as 3 toernooie gehou wat gewissel het tussen meriete toernooie geborg deur Louis Oosthuizen asook die bekende Sanlam Glacier Junior reeks.

Terselfdertyd is twee van ons juniors, Martin Vorster en Jordan Duminy, oor na die VSA om ons te verteenwoordig in die US Kids World Championships toernooi. Meer daaroor in die volgende nuusbrief.

SA CHAMPS - Johan & Pierre

## HOME OF CHAMPIONS

Speaking of promising young golfers and the stars of the Club.....congratulations are in order to Johann Strauss and Pierre van Graan for winning the Old Mutual Pairs SA Championship played at Zebula earlier this month. They obliterated the field, winning by 8 shots and as a result of their achievement they will represent SA in the World Pairs Championships to be held in Scotland later this year. Well done guys.

Congratulations also to Andrew Brown with his first ever hole-in-one on the 8th hole of Mossel Bay Golf Club. He is still walking on air after this momentous occasion.

This past week I was lucky enough to witness something very rare whilst playing in a Pro-Am at Fancourt. One of the players in my four-ball aced a 9 iron into the hole on the 4th. This was certainly nothing rare, but the fact that it was his ninth, and his second one in 10 days made it pretty special, and something I will remember forever.

## VRYDAGAANDE VLEISTREKKING:

Baie dankie aan Andre Marx, eienaar van Ultra Meat (by die Mikeva Sentrum), vir die borg van ons Vrydag-aande se vleistrekking en Fantastic Friday. Indien jy nog nie daar was nie, is dit nou die tyd om van hulle heerlike produkte aan te skaf.

## LASER DEVICES

About six weeks ago we installed laser reflectors on all 18 greens. This process was kindly facilitated by Dave Westbrook from Laserlink. The purpose of this exercise is to assist players that use laser devices in picking up the signal. A small insert is fitted into the mid-section of the flagstick and this acts as a reflector bouncing back the signal to your device. This is a much needed improvement as the winds we are famous for, can cause problems in this regard.

### In The Golf Shop

Distance measurement devices are fast becoming standard golf equipment, and you should stop by today to check out laser rangefinders from Laser Link Golf. Laser Link rangefinders are the simplest, fastest, and most accurate way to measure your distance to the flagstick. The benefits of a Laser Link rangefinder include:

- **Knowledge** – Knowing how far you hit each of your clubs is an important step to hitting better shots.
- **Faster, more convenient rounds** – No more searching for yardage markers.
- **Confidence** – Take your swing knowing you've got the right yardage and the right club.

There are three models to choose from, so come by today to see which one fits your game.

## GOLF CARTS AND MINORS

Please note that the Board of MBGC has decided that no person without a valid Code 8 license will be allowed to drive golf carts on the golf course. This decision follows extensive research as to what the norm is in the Southern Cape region, as well as the huge risks of liability to the club in the case of a serious or possible fatal accident.

**PLEASE HELP US**

Our course is in a fantastic condition and we would like to keep it that way. Please assist us in repairing your and other player's` divots and pitchmarks. You can also help by pointing out players that do not have sandbags and that do not take proper care of our course. The systematic destruction of our course must be stopped!
