## BUDGET 2014

It is that time of year again! The Budget of our Club is a very important tool to help us monitor the way in which we steer this ship called Mossel Bay Golf Club. Managing our resources, our valuable assets and most importantly the members and visitors' hard earned money is a job we take very seriously. A complete team made up of Cost Centre Managers, Financial Managers and Board members embarked on a tight 3 month program. This starts with the different managers working closely with the Accounting Officer and GM to compile their individual budgets. Once this process is completed they present this to the individual Board members tasked with the mandate for that specific cost centre.

The Board members then give their own input and the changes are then made in order to present the papers to the Fincom for consideration and discussion and once their changes are implemented a budget document called DRAFT 1 is compiled. This is then presented to the full Board, and after all the figures have been approved a final draft is prepared.

This final draft will be available (as notified above) for members to be viewed at reception. This is done for members to be able to prepare for the SPECIAL MEMBERS MEETING in order to get the Budget approved according to the stipulations of our Constitution.

From a management point of view I would like to say that we are very proud of what we present to you. We are in a very exciting time where we managed to work a complete turn-around in the financial situation of the Club. This came about due to the hard work and unselfish input of a very dedicated team of people who holds the interest of this Club very dearly.

## MANAGEMENT

I want to make use of this opportunity to invite members to contact the office of the GM for any suggestions, queries or complaints. I have noticed that many e-mails are sent to reception, which should be directed at me personally. If any member wishes to see me or just to have an informal chat I can be reached at [louw@mosselbaygolfclub.co.za](mailto:louw@mosselbaygolfclub.co.za), and your mail will be answered. Feedback from members will be assessed on one important criteria only:- WILL IT BE TO THE BENEFIT OF THE CLUB AND ALL ITS MEMBERS?

If you have any questions/suggestions/comments that you would like to communicate directly to the Board you may do so at [board@mosselbaygolfclub.co.za](mailto:board@mosselbaygolfclub.co.za).

Graag wil ek hiermee alle lede hartlik uitnooi om my direk te kontak met enige navrae, voorstelle, klagtes of net vir informele gesêlsies. Ek let op dat daar heelwat e-posse land by ontvangs terwyl dit eintlik vir my aandag bedoel is. U is welkom om hierdie e-posse direk aan my te stuur by [louw@mosselbaygolfclub.co.za](mailto:louw@mosselbaygolfclub.co.za). Enige sake wat deur lede aan my opgedra word sal beoordeel word aan een belangrike aspek:- IS DIT TOT VOORDEEL OF IN DIE BELANG VAN DIE KLUB EN AL SY LEDE.

Sou u enige voorstelle/kommentaar/vrae direk aan die Raad wou stuur is u welkom om dit te doen by [board@mosselbaygolfclub.co.za](mailto:board@mosselbaygolfclub.co.za).

### LET US TALK RULES

Let us see how well you know your rules.....

#### LAST WEEK'S QUESTION

A player's ball comes to rest in a mole hill about one foot outside the fairway. He exercises his right to lift the ball and have a free drop one club length from nearest point of relief. He then drops the ball in the fairway, as it is within the limits of his one club length. Is this action allowed? **Yes or No?**

**ANSWER: YES.** The player is allowed one club length according to the rules of golf, and even more so, where a local rule of preferred lies is applicable the player will be entitled to move a second time. *(Very few members got this right)*

#### THIS WEEKS QUESTION

If your ball comes to rest against the ropes at the 18<sup>th</sup> hole where the stakes are marked with white dots on the top, are you allowed to drop away? What is the ruling?

Please forward me the answers to this question to [louw@mosselbaygolfclub.co.za](mailto:louw@mosselbaygolfclub.co.za). Watch the next newsletter for the answer and the results of member's views, as well as new question(s).

### GUEST HOUSE TICKETS

Currently the Club makes provision for guest houses and B&B's to purchase a booklet of G/House tickets at a reduced price to sell to their guests. At the last Board meeting it was decided that these tickets will only be available to **FULLY REGISTERED GUEST HOUSES AND B&B'S** that are registered with the Municipality.

At reception we have a list of accredited facilities supplied by the Municipality, and if your facility is not on this list no tickets may be purchased. These tickets will be for the **exclusive use of the guests** of these establishments, and not for the owner and/or friends.

### DRIVING RANGE

Members who frequent our range will have noted that our ball picker is now as good as brand new and functioning well. We have to say thank you to a number of people that assisted in making this possible. The whole project was co-ordinated by Mr Ian Wessels who did all the organizing and transporting of the broken equipment. He was also involved in getting financial support from the following contributors:

- Andrew Harrison
- Martiens Mulder
- Mike Cunningham
- Henk Vosloo
- Johan Buys
- Danie le Roux
- Shirley Greig
- Wayne Mitchell
- Ian Wessels

A special word of thanks to AE Frost Engineering (Andre vd Merwe) for his contribution in the process.

We still have a R4 414-85 shortfall in the project. Any member that would like to contribute will be welcome to do so. Our most sincere gratitude goes to those who have already been involved. It is nice to see you care!!
