1 July 2014

Dear members

After a lot of research by the handicapping committee, the Club Manager, fellow board members and myself, I would like to inform members of the following changes to competition rules as applied at our Club.

1. Scorecard

We will shortly be in possession of new scorecards. This will be done in partnership with a new sponsor "Juice Media". This scorecard will not be as difficult to write on with a pencil and will not "fall apart" when wet and it will also reflect the new strokes as compiled by the handicapping committee.

2. Bowwe / Tees

Al die bowwe is tans gemerk en stem ooreen met die bane op die rekenaar. Dis soos volg uiteengesit:

Mens Championship – Blue – rating 70

Mens Club – White – rating 69

Mens Forward – Yellow – rating 68

Ladies Championship – Red – rating 70

Ladies Club – Pink – rating 69

Please take note of the following:

- On competition days, members will be informed by the starters which tees (colour of tees) to use.
- **Members will be allowed to play off their official handicaps on sponsored days - no more handicap restrictions.**
- A member with a handicap of 36 will be able to play off his/her full handicap. This will apply to both men and women.
- Men using the yellow tees will undergo a handicap adjustment on the day equal to the difference between the rating of the forward tees and that of the rest of the field.
- Juniors (u/13) using the ladies tees will be flagged on the system and will be rated according to the men's forward tees.

These principles are in accordance to the handicap rules as instructed by the HNA and SAGA.

- Please take note of the fact that players can play off any tee on NON-COMPETITION DAYS (playing social golf)
If a player plays off the yellow tees, then you will have to enter your score according to the course that you played – you need to do this in order not to disadvantage yourself.
- Players who want to play off the **FORWARD TEES** on competition days still have **to apply to the board for permission.**

3. Die afstel/stop/kanselleer van kompetisies

Die volgende beginsel vir speel van kompetisies sal geld – Indien die eerste speler(s) wat afgeslaan het, **hom/haar/hulle** rondte(s) gate voltooi, is daar 'n kompetisie en alle spelers wat die kompetisie voltooi (18 /36 gate), sal in aanmerking kom vir pryse indien hul telling dit regverdig.

If the principle above is applied, it effectively means that each player will have to decide for themselves if they want to play in the competition on a given day especially in the event of bad/foul weather.

If players do decide to stop playing, even after completing one hole or no holes – NO MONEY will be refunded (That includes competition fees).

COMPETITION FEES (NOT PLAYING FEES) will be refunded in the following circumstances:

- The competition is stopped due to lightning/thunder/high winds/flooded greens, etc.
(This decision to be made by the **sub-committee, Club Manager or Club Captain**)
- The sound of a horn will indicate the stopping of a competition)
- Once a player have teed off, no playing fees will be refunded.

4. Divisions for Competitions and Prizes

The following handicaps per division will apply:

Individual Competitions: **A Division – 0 to 13 handicaps**
 B Division – 14 to 22 handicaps
 C Division – 23 + handicap

Betterball Competitions: **A Division – 0 to 24 handicap**
 B Division – 25 + handicap

Alliance **NO DIVISIONS**

PRYSE sal soos volg toegeken word:

- Die onderskeie wenners van elke afdeling sal 'n prys ontvang, bv. wenners van afdeling A,B en C.
- Indien daar nog pryse toegeken gaan word, sal dit volgens die tellings van die spelers/spanne toegeken word, ongeag hul afdelings. In the event of a Medal Competition the division winners will be judged on gross scores. The rest of the prizes will be NETT SCORES only.

The principle of “one player one prize” will apply on competition days -the only exception being the special prizes e.g. nearest the pin, longest drive, etc.

5. LOCAL RULE

- **All distances markers are regarded as immovable objects and therefore cannot be moved. Where the distances marker interferes with a player’s swing, a player can take free relief from the distance marker, dropping your ball within one club length of your point of relief. YOU CANNOT TAKE RELIEF FROM LINE OF FLIGHT OR SIGHT ONLY IF IT INTERFERES WITH YOUR SWING!**

I hope this information clarifies a lot of queries and questions regarding competitions and prizes. Remember, please fix your divots and pitch marks.

COURSE

Our greenkeeper, Steven Roos, started on the first of June and in the short space of a month impressed one and all with the cosmetic changes that came as a result of his firm hand on matters. The cart paths are also making quick progress and gardens are getting a much needed clean-up.

Steven asked that we plead to the members who may be building or planning to build and may need to get rid of top soil in the process. The course department is always in need of good quality top soil, and we will even collect it from the building site if close by.

LAST MINUTE GOLF

The Board of MBGC decided to extend a 'last minute golf' option to all Southern Cape affiliated golfers. Such visitors may contact the Club one day prior to the Club competition days and, should there be slots available, play at a rate of R175-00pp (excl. carts & competition fee). The booking must be approved by the Club Manager.
