PROPOSED CHANGES TO THE CONSTITUTION

CURRENT

PAR 37. DISSOLUTION OF THE CLUB

2. In the event of the dissolution of the CLUB in accordance with a resolution of a GENERAL MEETING the remaining assets will be donated and transferred to the HOA as defined in the Notarial Lease Agreement referred to herein.

PROPOSED AMENDMENT

2. In the event of the dissolution of the CLUB in accordance with a resolution of a GENERAL MEETING the remaining assets will be donated and transferred to the HOA **or a new recreational club that will be set up by the HOA** as defined in the Notarial Lease Agreement referred to herein.

MOTIVATION

The Constitution must be submitted with SARS. As it stands Par 37.2 contains a risk that our tax exemption status may be compromised. We were advised by our auditors to make the proposed amendment.

COURSE

The Board and Management would like to welcome Steven Roos back as the Course Superintendent for our Club. He started in the position the beginning of June, and it is already clear that he takes the job very seriously and is keen to join the team.

Steven moved here from Cape Town where he worked for a national landscaping company. He has a B Com degree as well as many Turf Management qualifications, and his knowledge of coastal greens and specifically Mossel Bay's unique conditions played a major part in his appointment. We wish him good luck in his position.

BELANGRIKE AFKONDIGINGS

Womens Golf SA

The victorious Southern Cape

72 Participants from all over SA took part in the WGSА Team Championships at our Club from 25 - 28 May 2014. The course was in great nick and the greens proved to be a little too tough to handle for most of the contestants. The feedback we received from WGSА was hugely positive and they had nothing but praise on how we handled the tournament.

We have to make a special mention of how proud we are of the Southern Cape A team who won the B Division and will be promoted to the A section with immediate effect. We are even more proud because one of our members, Anzelle Zeelie played in the winning team. Our raining Ladies Club Champ played really well under extremely difficult conditions on a course measuring 430 meters longer than usual.

CLUB COMPETITIONS

LAST MINUTE GOLF

The Board of MBGC decided to extend a 'last minute golf' option to all Southern Cape affiliated golfers. Such visitors may contact the Club one day prior to the Club competition days and, should there be slots available, play at a rate of R175-00pp (excl. carts & competition fee). The booking must be approved by the Club Manager.

COURSE RATINGS

Members who go out on the course will notice that there are 5 new sets of markers on the tees. Two of these are for the ladies and three for the men. They are the following:

- | | | |
|---------------------------|--------|-----------|
| • Mens forward tee | Yellow | 68 rating |
| • Mens club tee | White | 69 rating |
| • Mens championship tee | Blue | 70 rating |
| • Ladies club tee | Pink | 69 rating |
| • Ladies championship tee | Red | 70 rating |

For competition days the marshalls will communicate the tee to be used on the specific day, but for social play the player may play any course they wish, provided that they enter the score in the relevant colour on the handicapping system. This is a historical moment and we believe that the handicaps of our members should become more competitive in the Southern Cape, and it will be a more accurate reflection of the player's ability.

Enjoy your golf this week.
