SUBSCRIPTION DUE

The Budget of 2015/16 was approved at the 20 May Special Members Meeting by an overwhelming majority of the members in attendance. The financial committee as well as the Board kept the best interest of the Club and ALL its members at heart in compiling this Budget. Due to abnormal economic conditions and severe increases in essential commodities such as fuel and electricity we were left with no option but to increase the fees. This was done with great empathy and compassion, whilst also keeping in mind that it costs roughly R23 000-00/day to keep this beautiful Club of ours in its current splendid condition.

Please be advised that the renewal of subscriptions are due 1 July. IMPORTANT to note are the new payment options available to members. Round packages (100, 50, 25 and 10) are available at discounted rates and can also be paid off monthly over 12 months together with subscription, card and affiliation fees. Please consult with our financial department to determine the best available deal based on the individual member profile.

SUBSKRIPSIES NOU BETAALBAAR

Die lede van MBGK het tydens 'n Spesiale Lede Vergadering in Mei die begroting met 'n oorweldigende meerderheid stemme goedgekeur. Die begroting is 'n produk van 3 maande se intensiewe prosesse deur die Klub se totale bestuurspan en Raad. In die proses moes ons die steeds stygende kostes in veral elektrisiteit en brandstof in ag neem asook die feit dat die operasionele kostes ongeveer R23 000-00/dag beloop. Aan die ander kant van die skaal is daar die behoeftes van AL ons lede en probeer ons te alle tye om dit sensitief en met empatie te benader. Dit bly steeds 'n besigheid en onderhewig aan eksterne ekonomiese faktore wat ons onder druk plaas. Gevolglik het ons geen keuse gehad as om die fooie te verhoog vir die komende finansiële jaar nie.

Die nuwe fooie is 1 Julie betaalbaar. Lede moet asseblief daarop let dat daar nuwe afbetalings strukture in plek is. Rondte pakette (100, 50, 25 en 10) is beskikbaar teen verlaagde kostes en kan tesame met die subskripsies en affiliasie kostes oor 12 maande afbetaal word. Ons finansiële departement sal u bystaan met enige navrae ten einde die beste pakket te bepaal vir u individuele behoeftes.

VERANDERING IN EN OM DIE KLUBHUIS

Lede sal oplet dat daar verskeie veranderings in en om die Klubhuis aangebly word. Die veranderings asook die projek soos tydens die Spesiale Vergadering in Mei goedgekeur is reeds voltoos aan die gang. Hier is 'n paar van die veranderings wat u op kan let:

- **Ontvangs.** Na die onlangse gewapende roof het ons tot die besef gekom hoe blootgestel ons personeel is aan die tipe geweldadige optrede. Die glas afskorting is opgesit met toegang beheer ten einde die personeel te beveilig.
- **Kontant.** Daar is met onmiddellike ingang gebruikgemaak van 'n kontant transito maatskappy wat die kontant namens die Klub vervoer. Ten spyte van die maatregel is die personeel steeds blootgestel weens die feit dat ons 'n publieke instansie is wat nie toegang mag weier nie. Die sekuriteit by die ingang is ook aangepas deur die dag maar veral saans.
- **Besprekings.** Die Klub pas ook aan by die tye en met verloop van tyd gaan die lysie waarop bespreek word wegval en vervang word deur 'n elektroniese stelsel. Dit geskied ook in samewerking met 'n webtuiste waar lede hulle besprekings in die gerief van hul huis of kantoor op die internet kan bedryf. Hou asb. kennisgewings dop vir bekendstellings aande wat die Bestuur sal hou om die lede in te lig oor die gebruik van die stelsel.
- **Algemeen.** Die hele Klubhuis en dak word binnekort oorgeverf en opgegradeer met sekere noodsaaklike toevoegings. Dit sluit ook die ingang in wat deur 'n trok beskadig is.

Ons vra om verskoning vir enige ongerief wat mag ontstaan tydens die noodsaaklike proses. Ons verseker lede dat die finale produk die Klubhuis en omgewing 'n broodnodige opgradering sal gee.

ON THE COURSE

GREEN SPEED

Members will note that the greens are considerably faster this month. This is due to the fact that the greens are given almost no water in order to prevent the spread of *poa anna* (wintergrass) on and around our greens. The less wintergrass we have the smoother the putting surface will be and the more we will save on preventative chemicals.

GUR

The local rules state that "any freshly sodded areas or areas under construction" are deemed to be GUR. Members are all aware of the many cart paths being built as well as bunker renovations in progress which have left a lot of places that can be interpreted as GUR. It is however the duty of the marker to make sure that this rule is not exploited and that the drop falls within this criteria without any doubt. The extent of renovations have made it impossible for management to mark all areas with paint or with boards, thus leaving it in the hands of the marker to enforce the rule fairly.

GENERAL ETTIQUETTE

We want to appeal again to members to take care of the course by repairing pitch marks and divots, both yours and the marks left by others. We are also deeply troubled by people that simply discard their empty bottles in the bush instead of taking it to the Clubhouse for proper disposal.

INTER ESTATE CHALLENGE

Sunday 28 June will be Mossel Bay's turn to host the Inter Estate Challenge. It is a friendly competition between some of the Estates in the area. We need 12 players to fill our team and interested parties can confirm with Lizette. Please check the notice board for further details.
