(gholfer van die jaar)**

GHOLFER VAN DIE JAAR

Baie geluk aan Danie van Langelaar wat naelskraap weggestap het met die titel gholfer van die jaar na 'n jaar van taai kompetisie vanuit alle oorde. Noel Domingo en Gavin Reynolds moes vanjaar die knie weer buig teen laasjaar se wenner. Baie geluk Danie.

1. Watter kompetisies word in aanmerking geneem?

Alle individuele kompetisies wat op Woensdae, Saterdag en publieke vakansie-dae gespeel word.

2. Hoe word punte toegeken?

- Punte word nie toegeken volgens afdelings nie, maar bloot op die beste tellings van die dag.
- Die speler met die beste punte kry 5 punte. Indien daar meer as een speler is wat dieselfde aantal punte het, kry elke speler 5 punte. (Geen uittel nie)
- Die speler(s) met die tweede meeste punte kry 4 punte.

Indien twee of meer spelers aan die einde van die tydperk dieselfde aantal punte het, word die wenner bepaal met die speler wat die meeste wenne (5 punters) behaal het. Indien dit nog gelyk is, sal na die meeste tweede plekke, ensovoorts gekyk word.

ON THE COURSE

GENERAL ETTIQUETTE

We want to appeal again to members to take care of the course by repairing pitch marks and divots, both yours and the marks left by others. We are also deeply troubled by people that simply discard their empty bottles in the bush instead of taking it to the Clubhouse for proper disposal.
