### **VERANDERINGS IN EN OM DIE KLUBHUIS**

Veranderings en opknappings is reeds aan die gang en die projek om die Klubhuis op te gradeer gaan binnekort volstroom aan die gang kom. Ons vra lede se geduld aangesien dit hier en daar met die vloei van verkeer om die Klubhuis sal inmeng.

Die telefoon stelsel is opgegradeer en sal nou aan die kliënte 'n keuse gee van verskeie opsies, beskikbaar in Afrikaans en Engels. Daarna kan u 'n keuse uitoefen met wie u wil skakel en kan dan met die druk van 'n knoppie by die regte persoon uitkom.

Die bespreking stelsel gaan ook binnekort totaal elektronies funksioneer en lede sal ook hulle besprekings van die rusbank by die huis kan beheer en bestuur oor die internet. Die bestuur sal lede nou na verskeie inligtingsessies waartydens die hele prosedure aan almal verduidelik sal word.

Renovations to the Clubhouse and surrounds will be commencing soon. We ask the members to please be patient whilst the much needed project is underway. It may interfere with the normal flow of business from time to time.

The switchboard have been automated and patrons will now be able to choose the person or destination for the call. An option to choose between English and Afrikaans will also be offered, following which the caller can choose any of a number of destinations.

The booking system will also be electronically operated in the near future. The lists will no longer be used. Before we do away with the lists Management will invite members to an information session or two in order to demonstrate the different functions.

## MEMBER GUEST

As a part of the upgrading process we strive to use our Club operating system to the best of its ability. As a result of this the Board made a decision to change the way in which member guests are controlled. In future the following will apply:

- Members and Home-owners may bring one guest per membership per month. Members now have 12 guests per year instead of the usual 5.
- The member must announce the guest in the pro shop.
- The member must play with the guest and the round will be deducted electronically.
- The guest must be an affiliated golfer (member of a golf club anywhere in the world).

## HOE GOED KEN ONS MEKAAR?

Soms is ons vir langer as vyf ure in mekaar se geselskap op die gholfbaan en na die tyd weet ons eintlik nog bitter min van mekaar. Graag wil ons deur middel van ons nuusbrief van ons lede beter bekendstel aan ons Klublede. 'n Beroep word ook op lede gedoen om vir ons te laat weet as u iemand ken wat prestasies behaal het waarvan ons nie bewus is nie.

**RALIE SMIT**

Ralie is een van ons getrouste, lojalste en nederigste lede by Mosselbaai Gholfklub. Sy het as onderwyseres by die Laerskool Menlopark soggens vroeg met haar hond gaan draf en op 35-jarige ouderdom het sy haar eerste Comrades-marathon voltooi. Hardloop het 'n wesentlike deel van haar lewe geword en tussen 1980 en 1997 het sy 14 Comrades Marathons voltooi waarvan 8 goue medaljes was. Sy het 3 keer die derde plek verower en een keer 'n skitterende tweede plek ingepalm. Op 43-jarige ouderdom (1987) het sy die marathon in 'n skitter-tyd van 7 uur en 1 minuut voltooi en sy beskou dit as 'n hoogtepunt in haar deelname aan marathons. Gedurende die tagtigerjare het sy talle wedlope in Suid-Afrika en veral Gauteng gewen. Nederig soos sy is, skryf sy haar suksesse toe aan haar hardloop-groep wat jare-lank soggens om 4h30 saam met haar gedraf het.

Saam met Helen Lucre was sy een van die eerste twee dames wat silwer-medaljes in die Twee Oseane wedloop kon verwerf. Na 'n groot rug-operasie in 1999 moes sy noodgedwonge die hardloperij afskaal, maar die energieke mensie het 'n volgende uitdaging aangepak. Sy voltooi drie Argus-fietstoere, maar sê dit het haar nooit soveel genoegdoening as hardloop gegee nie.

In haar sestigs het sy besef gholf is nou haar volgende uitdaging. "Hardloop is makliker, want as jy oefen weet jy min of meer waartoe jy in staat is, maar met gholf ....." Ralie is steeds ere-lid van die Pretoria-marathonklub en beslis 'n gewaardeerde lid van Mosselbaai Gholfklub.

## ON THE COURSE

### GUR

The local rules state that "any freshly sodded areas or areas under construction" are deemed to be GUR. Members are all aware of the many cart paths being built as well as bunker renovations in progress which have left a lot of places that can be interpreted as GUR. It is however the duty of the marker to make sure that this rule is not exploited and that the drop falls within this criteria without any doubt. The extent of renovations have made it impossible for management to mark all areas with paint or with boards, thus leaving it in the hands of the marker to enforce the rule fairly.

### GENERAL ETTIQUETTE

We want to appeal again to members to take care of the course by repairing pitch marks and divots, both yours and the marks left by others. We are also deeply troubled by people that simply discard their empty bottles in the bush instead of taking it to the Clubhouse for proper disposal.
